### Baptismal Certificate

As Confirmation is the sacrament that completes the Sacraments of Initiation, each Confirmation Candidate must show proof that they have, in fact, been baptized in the Catholic Church. For many, if you were baptized here at St. Michael's, we will have that information in our records. If you were baptized at another parish, but received your First Communion here, we may also have record of your baptismal certificate. Other situations may mean that you will need to provide a copy of your certificate to the parish. Please check the appropriate box below. A recorded list of baptismal certificates we already have on record here at the parish will be made available at a Confirmation Session.

Confirmation Candidate Name: \_\_\_\_\_

- I was baptized at St. Michael
- I made my First Communion at St. Michael
- I don't believe I have ever submitted a copy of my baptismal certificate to the parish. It is attached.
- I turned in a copy of my baptismal certificate earlier in the fall.

### Rite of Confirmation Date Selection

This year, the Rite of Confirmation will take place during two celebrations in the Easter Season of 2018. Per request of the Diocese of Richmond, we may confirm no more than half of the candidates per evening. In efforts to consolidate the number of Masses across the diocese, Our Lady of Lourdes will be celebrating Confirmation with us on the Tuesday date, here at St. Michael. This leaves St. Michael with 50 available spots for Tuesday's Mass and 80 available spots for Wednesday's Mass. **Sign ups for the Confirmation Masses will be done on a first come, first serve basis; however, your request will be entered only upon recognition of your baptismal certificate by the Faith Formation Office.** (If we don't have your baptismal certificate on file, we'll be reaching back out to you.) Any candidates who have not requested a night by Jan. 31st will automatically be assigned a Mass by our office.

I am requesting to celebrate the Rite of Confirmation on...

- Tuesday, May 1, 2018, 7:00pm
- Wednesday, May 2, 2018, 7:00pm
