

The graph above outlines Stewardship participation and provides a look at the last parish Stewardship Increase Commitment Campaign three years ago, 2014-2015. Here you can see how you generously stepped up to support parish operations. Your desire to be intentional makes a difference!

Below you can see what your Stewardship participation supports. This support includes not only liturgy, pastoral care/human concerns, and programming support, but also maintaining the facility, contributing to diocesan catholic education, and staffing the church.
