### **Fall 2021: The Artist**

#### **An EDGE Series on the Existence of God**

Who is God? Can we even know if God is real? What proof is there that God exists? What does this mean for my life? The question of the existence of God is one that can change the entire course of a person's life. Our fall series will address questions about God and some of the biggest stumbling blocks in believing that God exists. In laying out foundational truths about God, the goal of this series is for middle school youth to come to see that it is reasonable to believe that God exists and that, through faith, they can know God and be in a relationship with Him.

## **Winter 2022: Now And Forever An EDGE Series on the Mass**

This series is designed to help middle school youth understand the Mass and the positive impact it has on their lives and on the world. It will help the youth see the roots of the Mass in Christ's Paschal Mystery, the importance of the Eucharist, the way the different parts of the Mass fit together, and how the Mass can positively affect and bear fruit in their daily lives.

## **Spring 2022: Choices An EDGE Series on Decisions**

Our spring series will cover what it means to make a good decision and why humanity has the ability to make decisions. The youth will learn about the consequences of actions as well as what it looks like to live a life of virtue and how the way we live affects society as a whole.
